CAP FORM 60:

Attachment A to this guide is a sample copy of CAP Form 60, *Emergency Notification Emergency Medical Data*. You are to complete a CAPF60 and return to the director prior to 1 July 2013. If any information changes before the start of college, please bring an updated CAP Form 60 to the college and turn it in at registration.

The college does require walking short distances and some steps into facilities. **If you have any physical handicap, medical needs, or special requirements** not already specified on your CAPF 60 or your information form, please notify the director as soon as possible to describe the condition. All reasonable/practical accommodation will be made.

BE AWARE: The altitude in Albuquerque is 5,312 feet. If you bring medical equipment that is sensitive to altitude, you may want to consider having it recalibrated. Plan to “feel funny” for the first few days you are there. It is normal. Please know that the altitude affects people in different ways. You WILL adjust!

Sunscreen is always a good idea in the southwest and especially during the summer. Plan to drink LOTS of water!

CANCELLATION POLICY:

You must send a deposit of \$30.00 (or the total college fee of \$95) and a copy of your CAPF17 to the director prior to acceptance. In the event you later find that you cannot attend, the following cancellation policy will apply:

- a. 100% refund if the director **receives** your notification of cancellation no later than 15 June 2013.
- b. 50% refund if your notification is received by 1 July 2013.
- c. No refund if your notification is received after 1 July 2013.

The director may authorize other exceptions for refunds. If you are faced with medical or other emergencies, you should contact the director as soon as the problem is known.

COST OF THE COLLEGE:

The total registration fee for the college (excluding billeting, meals and travel) is \$95.00. Your deposit will be credited against the total fee, with the balance due at college check-in. Please plan on writing a check or using cash since we have no way to accommodate credit/debit cards. Your registration fee includes all resource materials, tour(s), a mid-week barbecue, and the formal Dining Out. It does not include all other meals, personal incidentals or billeting.

- We will be using the base dining facility. You can usually expect the cost for all three meals per day cost less than \$10 per day (cash only-credit cards are not accepted).
- Billeting will be on Kirtland Air Force Base. The cost will be \$53.25 per night (subject to change). They DO accept credit cards.
- You may wish to spend a small amount (typically less than \$5.00) to embellish one or more of your seminar projects. There may also be field trips with your seminars. Costs for these outside activities are not part of the college fee.

WHEN TO ARRIVE:

You should plan to arrive no later than 1200 hours (MDT) on Saturday, 13 July 2013. If you are unable to register between 0900 and 1200 hours on that day, you should contact the director as soon as possible. Classes begin Saturday afternoon so it is important you arrive prior to that. All late arrivals MUST BE arranged with the director in advance.

HOW TO GET THERE?**GETTING TO THE COLLEGE:**

Transportation to and from Albuquerque is your responsibility. Please complete *The Information Form* (available at <http://swrsc.swr.cap.gov/default.htm> see sample Attachment B), which will show your arrival and departure information. Send it to the director in time for it to be received no later than 1 July 2013. If you will require other transportation assistance while in Albuquerque, please note it, so suitable arrangements can be made.

If arriving by automobile:

From I-25: At the south end of the city, take the Gibson East exit 222B and continue east once you've gotten off the Interstate. Proceed east on Gibson past the major intersections of University, Yale, Girard, Carlisle and Maxwell. Turn right at the light on Truman then enter the Truman Gate of Kirtland AFB.

From I-40: Take the I-25 South exit. Go to the Gibson East exit 222B. You will see two exits for Gibson. The one you want is the second one (exit 222B). There is also a Kirtland Air Force Base sign you may see. It is small. Follow directions above once you turn onto Gibson.

At the Truman gate: Pull into the parking lot and go inside the guard building to get a permit for your automobile. You will need to show your military ID (if applicable), your CAP membership card, your driver's license and auto insurance card. Your name will be on a "permitted" list. You will not be able to get on base unless your name appears on that list.

When approaching any KAFB gate at night, turn your car lights to "park" so that the guard can see your vehicle and its occupants. There is 100% identification after 2000hrs so all vehicle occupants should be prepared to show their identification. If someone in your vehicle doesn't have a military or CAP ID, that person may not be allowed on base.

FOR THOSE CHECKING IN ON FRIDAY 12 JULY 2013 (Staff and early bird students)

From the Truman Gate: Continue straight on Truman to **Biggs Ave.** Turn right. Go to 4500 Biggs Ave, Bldg 926 which will be on your left. Park in the west parking lot and come in the double doors. Staff will be there starting at about 1300hrs. Everyone will check into rooms in the afternoon. Please do not go to the billeting office first.

If you are arriving late evening on Friday 12 July, please proceed to the billeting office. Continue straight on Truman to Randolph Avenue. At the Randolph stop light turn right and proceed west one block to Plumhoff Street. Turn right. You will see Residence Building 918 on your immediate right where the Billeting Office is located. A sign will direct you to the registration desk for room check-in.

FOR THOSE CHECKING IN ON SATURDAY 13 JULY 2013

From the Truman Gate: Continue straight on Truman to **Biggs Ave.** Turn right. Go to 4500 Biggs Ave, Bldg 926 which will be on your left. Park in the west parking lot and come in the double doors to register for the college. Personnel will be there beginning at 0800 for registration. Please do not go to the billeting office first.

If arriving by commercial airline:

You must notify the director prior to 1 July of your arrival time, flight number, and carrier. Once you have arrived and collected your luggage, proceed outside the terminal to the passenger pick-up area and call **(505) 716-3290** on your cell phone. There will be a CAP van waiting in the "Cell Waiting Area" at the airport. It will take about three minutes for them to drive to your location. They are NOT allowed to wait in the passenger pick-up area so please be ready to go when you call.

If arriving by corporate aircraft:

Albuquerque's airport is co-located with Kirtland AFB. Visiting CAP corporate aircraft will be permitted to use the Kirtland AFB Aero Club ramp and facilities; however **prior notification is required**. Please contact Lt Col Sharon Lane, swrsc2007@gmail.com by email or 505-716-3290 by cell phone if you plan to fly a corporate airplane to the college and wish to park it at the Aero Club ramp. You will be given instruction on how to proceed with arrangements. Please make a note on your Information Form that you have made appropriate pre-arrangements.

If you arriving by private aircraft:

Please provide your ETA and destination FBO at Albuquerque International Sunport (ABQ). Private aircraft may park at either of two FBO's on the civilian side of the airport. Both provide one night's free tie-down parking with a purchase of fuel (subject to change). Both charge a fee per night for all succeeding nights. These FBO's are:

---	---

Pilots, be aware of density altitude if you are flying in and out of Albuquerque. Early morning flights are best in the summer months.

NOTE: IF YOUR TRAVEL ARRANGEMENTS CHANGE, PLEASE ADVISE THE DIRECTOR IMMEDIATELY.

DRIVING PERSONAL OR CORPORATE VEHICLES:

You will be permitted to use your personal vehicle while attending the college. However, you will not be permitted to drive either a personal or corporate vehicle for a period of eight hours after drinking any alcoholic beverage. If you do so, you will be asked to leave the college immediately.

If you are traveling to or from the college in a corporate vehicle or wish to use a corporate vehicle while attending the college, you must have in your possession a current CAP Form 75, *Motor Vehicle Operator Identification Card*. All corporate vehicles will be subject to rigorous safety inspections upon arrival at the college. Any vehicle found to have significant safety deficiencies will be "grounded" until appropriate repairs are made.

COLLEGE CHECK- IN PROCEDURES:

You may arrive wearing appropriate civilian attire. You do not need to be in uniform!

Immediately upon arrival at Kirtland Air Force Base, go to Bldg 926 (see directions above). Be prepared to present your current membership card and, if you are driving a CAP Corporate vehicle, your CAP Driver's License.

ROOM ACCOMMODATIONS

BILLETING:

- Because this is an in-residence course, you are required to reside on base. Cost of the room will be about \$53.25 a night (subject to change). Your room assignment will be made during registration. A reservation in your name will be in place at the Billeting Office.
- Rooms are single occupancy (with the exception of married couples), with a private bath. Desks, mini-refrigerators, microwave ovens, coffee maker, plastic coffee cups, linens, towels, hand towels, washcloths, bath mat and clock radios are furnished in each room.
- Housekeeping will make up your room daily but you will be expected to keep your room neat, clean and presentable. You will be expected to leave your room in a clean and orderly condition when checking out. You will not need to make the bed. We are guests

of the Air Force and are expected to leave its facilities in the same condition as when we moved in. A gratuity, either daily or end of the week, for the housekeepers is appropriate.

NOTE: The possibility always exists that the USAF may need to cancel our use of billeting, dining, and/or classroom facilities. If this were to happen, you will be notified as soon as possible of alternate billeting and classroom arrangements. If it becomes necessary to cancel the college, your deposit will be refunded. Kirtland AFB has never "bumped" a CAP activity, but it reserves the right to do so.

INTERNET ACCESS AND PHONES:

Each room has a telephone landline and wireless internet access. Local phone calls are free. There is a charge for long-distance calls.

COMPUTERS & PRINTERS:

We will make every effort to provide each seminar access to a printer. We will not be able to provide computers. Seminar project work will require some word processing and document generation. It is highly recommended that if you own a laptop computer/tablet that you bring it. You may bring a portable printer if you wish. Flash drives (thumb drives) will be provided by the college and will be used to turn in work on a daily basis. Beware that computer viruses can be passed when using Flash Drives. CAP offers a free antivirus program through eServices if you don't have one.

EMERGENCY COMMUNICATIONS AND CONTACTS:

A 24-hour cell telephone will be maintained to handle emergency incoming calls during the college period (13-20 July). Calls of an emergency nature to the cell phone will be gladly accepted. **The 24-hour cell phone number will contact the director is 602-373-6642.**

Emergency messages may also be called into the New Mexico Wing Headquarters Number, 505-268-5678, but this will be answered during normal business hours 0800-1700hrs, **Monday through Friday** only. You may bring a personal cell phone. Be advised the cell phone must be turned off during class time.

If it is necessary for you to receive mail during the college period, you may use New Mexico Wing Headquarters as a mailing address (e.g.; SW Region Staff College, c/o Headquarters, New Mexico Wing, Civil Air Patrol, P.O. Box 5069, Kirtland AFB, NM 87185-5069). Notify your Seminar Advisor of the expected mail for pick up. You should also alert the New Mexico Wing Administrator at 505-268-5678.

WHERE DO WE EAT?

DINING FACILITIES:

An open mess is provided in the "Thunderbird Inn" which is located at 1351 First Street on the east side of the base. You may purchase all meals there. Since the SWRSC activities are on the west side, transportation to and from the dining facility will be provided at all meal times. Remember, meals are not included in your college tuition or billeting costs. Depending on how much you eat, it is estimated that you will spend less than \$10 per day for all three meals eaten at the dining facility. Meals **must be paid for with cash.** No credit cards are accepted at the Dining Hall.

You may wear civilian clothes into the dining facility on the weekends and after 1700hrs on weekdays. During the duty week (M-F) during crew duty hours (0800-1700hrs), you **MUST** be in uniform to enter the dining facility. **Open-toed sandals are not allowed in the dining hall at any time.**

Hours of service at the dining facility (subject to change) are:

	WEEKDAYS	SATURDAY AND SUNDAY
Breakfast	0600 - 0800 hours	Brunch 0900 - 1300 hours
Lunch	1100 - 1300 hours	Dinner 1700 - 1900 hours
Supper	1600 - 1900 hours	Midnight 2200 - 2400 hours
Midnight	2200 - 2400 hours	

There are commercial eateries both on base and off base.

WHAT DO WE WEAR?

You will be given a SWRSC T-shirt at registration. You will be asked wear the T-shirt for classes on Saturday and Sunday. You may wear shorts (something your mother would approve of) or casual slacks or jeans. **You do not need to wear a uniform to check-in."**

UNIFORMS:

NOTE: Vanguard will not be at the college. It is very important that you plan ahead carefully. Review CAP Manual 39-1 and order any uniform items you need well in advance of the date you plan to leave for Albuquerque. Uniform standards will be strictly enforced at the college.

FOR DAILY CLASSROOM ACTIVITIES

You will be expected to be in uniform as prescribed in CAP Manual 39-1, *CAP Uniform Manual*. Acceptable classroom uniforms are:

- Military style (USAF) blue service uniform (blue trousers/slacks or skirt and short sleeved shirt/blouse without tie) **OR**
- CAP distinctive white aviation shirt in combination with gray slacks for men and either gray slacks or skirt for women.

NOTE: the **blue slacks/skirt** with the white aviator shirt, blue epaulets, and blue nametag combination has been phased out effective 1 January 2013 (See Interim Change Policy letter dated 16 February 2010).

With the USAF blue service uniform, you will wear the regulation flight cap with CAP insignia when outdoors. **If you do not meet weight or grooming standards**, you must wear the white aviator shirt and gray trouser/slacks or skirt combination. **No knit shirts or BDU's will be worn.**

Proper wear of the uniform, including epaulets, grade insignia, aviation badges and nameplates, will be a matter of special interest throughout the college. You will be informally inspected if it becomes necessary. **Ribbons will not be worn at the college except during the graduation ceremony.** If you can, please plan to bring more than one uniform. It can get quite warm in Albuquerque and time available for cleaning clothes will be limited.

WHAT TO WEAR TO THE DINING OUT

Proper attire for the function is:

- The Mess Dress Uniform for both women and men; It is not necessary to have the Mess Dress Uniform. If you already have one you are welcome to wear it. You must meet the height and weight standards to wear the Mess Dress. Descriptions and illustrations of various uniforms are included in CAPM 39-1, CAP Uniform Manual.

-OR-

- Women: cocktail or evening attire or the CAP formal blazer combination
- Men: The CAP formal blazer combination, business suit or other formal wear. Men **MUST** wear a coat and tie.
- Service dress blue uniforms **will not** be worn to the Dining Out.

CASUAL CLOTHES

Casual clothes will be worn on several occasions during the college and at the end of the crew duty day. These may include shorts, sandals, T-shirts and sneakers. Casual clothes must be in good taste. Remember, open-toed sandals are not permitted in the Dining Facility at any time.

LAUNDRY:

Washers and dryers are available in the dormitories. A SWRSC community supply of scent-free detergent and scent-free softener sheets will be available for your use during the college. Irons and ironing boards are available in each dormitory room. There is no charge to use the laundry facilities. They can be accessed 24-hours a day.

FIREARMS:

Firearms or any explosive devices are strictly forbidden on base. Do not bring any firearms with you. **If firearms are found on your person or in your vehicle, you will be asked to leave the college and KAFB immediately.**

SMOKING:

If you smoke, you may do so only in designated areas out-of-doors. There is no smoking in common areas indoors or in dormitory rooms.

STORES/SHOPPING ON THE BASE:

A copy of a Military Support Authorization (MSA) will be issued to you upon registration. It will entitle you to limited access and purchase privileges at various base stores. These will include the mini-malls, Base Exchange (not the Commissary) and military clothing sales. Remember, that CAP distinctive uniform items are not available for purchased at base facilities.

ABOUT THE COLLEGE

DURING THE CREW DUTY DAY

While we are in uniform during the crew duty day (Monday through Friday), we will address each other by our rank and last name. This is strongly encouraged to reinforce respect for one another and is good practice.

CURRICULUM:

The curriculum is designed to increase your ability to communicate effectively, to build teams or workgroups, and to solve problems encountered in daily CAP operations. You will receive specially tailored courses from CAP officers designed to help you meet these objectives.

COURSE SCHEDULE:

You will be provided with a detailed curriculum schedule during registration. The college will assemble daily at 0750 hours. After a few minutes of college business and announcements, lectures and classes will begin promptly at 0800. There will be a ten-minute break during each class hour. Lunch break will be from approximately 1150 to 1300 hours. Afternoon sessions may be in the presentation center or in your seminar rooms, as dictated by the schedule, and will conclude at approximately 1700 hours. Before and after dinner you will work on activities, projects and assignments as determined by your seminar.

It is imperative that you be on time to your classes and other activities. Chronic abuse of the time schedule could lead to you being asked to leave the college.

CLASSES:

Civil Air Patrol instructors will present lectures on many topics relating to the CAP culture, demographics, and life experience. Senior CAP or CAP/USAF personnel will present Civil Air Patrol specific material. Small group exercises will provide an opportunity to practice most of the techniques presented in lecture.

SEMINAR PROCESS:

You will be assigned to a seminar (group). This small group of students will become a distinct unit for the duration of the college. Your assignment to a particular seminar is determined by a number of factors including your duty assignment, past CAP experience, home unit, prior training experience, and computer expertise. Married couples attending the college will be assigned to different seminars and will act as independent individuals throughout the duty day and for the duration of the college.

SEMINAR ADVISORS:

Each seminar will have an advisor. The advisor is a former student or staff member of the college. The purpose of the advisor is to serve as a resource for you, individually, and the seminar as a group. He or she is not a group leader and will not make decisions for the seminar.

SPECIAL PROJECTS:

During the college, you and your fellow seminar members will be required to participate in several special projects. The projects serve as vehicles for the application of the college lessons on planning, team building, and problem solving. They are the "lab" courses that go with the lectures. The results of the projects will be graded. Grades will become part of the total evaluation for awards at the end of the college.

CAP REGULATIONS:

Although it is not required, you may find it beneficial to bring with you or have access to copies of the following publications:

- CAPR 10-1, *Preparing and Processing Correspondence*
- CAPM 39-1, *Civil Air Patrol Uniform Manual*
- CAPM 39-1, *Uniform Change Summary*
- CAPR 900-2, *Use of Civil Air Patrol Name, Seal, and Emblem; Etc.*
- CAPR 39-3, *Award of CAP Medals, Ribbons, and Certificates*
- CAPR 50-17, *CAP Senior Member Training Program*
- CAPP 3, *Guide to Civil Air Patrol Protocol*

Electronic versions of regulations, forms and manuals, can be obtained by downloading them from the CAP National Headquarters web site <http://members.gocivilairpatrol.com/>.

YOUR FIRST ASSIGNMENT:

Your first project for the college is preparation of a CAP Official Memorandum-Style letter in accordance with CAP Regulation 10-1, *Preparing and Processing Correspondence* (16 February 2011).

- Compose a one-page letter as though you are writing from the headquarters of your wing to another CAP unit. Write about an official action of some kind. Using the format specified in the regulation, include references to attachments, courtesy copies, and distribution. Pay special attention to format, heading, spacing, accuracy, and neatness.

This project is required for completion of the college, will be evaluated by college staff personnel, and will form part of your personal and seminar evaluations. Submit your Memorandum Style letter before **1 July** to the director via either U.S. mail or emailed (see Page 1). It must be in either Microsoft Word format or printed into a pdf format.

YOUR SECOND ASSIGNMENT:

YOUR PERSONAL BIOGRAPHY - In order to make the best seminar assignments and provide helpful information to the college, you are asked to write a one page biography. Include information about your CAP duties, unit, hometown, birthday, hobbies, and any other information that will help us get to know you. Please send the biography along with the other forms to the director via either U.S. mail or emailed (see Page 1) no later than 1 July. The document must be in either Microsoft Word format or printed into a pdf format.

THE FUN STUFF

GRADUATION:

There will be a formal graduation ceremony for those who successfully complete the college on Friday afternoon. It is anticipated that the Southwest Region Commander will present the diplomas. We expect numerous Wing Commanders and other distinguished guests to attend this ceremony. Your personal guests are welcome to attend the graduation.

AWARDS:

Based on individual and seminar participation and project quality, several awards will be made at the Dining Out. These include Best Military Letter, Best Speaker, Outstanding Student, Outstanding Seminar as well as other awards designated by the director.

DINING OUT:

One of the requirements for graduation is participation in the college's graduation dinner, or Dining Out. This is a very formal part of the college and will be held Friday evening. At some time during the college, you will be supplied with a complete outline describing this exercise. For a list of proper attire for this function, please see the uniform section of this guide.

The cost of the banquet for you is included in your college registration fee. You may invite a guest(s) to the Dining Out. Guest tickets are available for approximately \$30 per person. You will be asked early in the week if you intend to have a guest.

MESS PRESIDENT AND MR. / MADAM VICE:

Your seminar will be asked to nominate candidates to serve as President and Vice President (known as Mr. or Madam Vice) of the Mess for the Dining Out. The President directs the activities and rules the Mess, while Mr. or Madam Vice seeks, with articulation and wit, to enforce the decorum of the Mess. Give careful consideration to your recommendation, for these nominees will play key roles in ensuring that your graduation banquet is fun, is a success, and presents the best image of the college and student body to the honored guests.

DEPARTURE**DEPARTURE FROM THE COLLEGE:**

Departure is scheduled for Saturday morning. Out-processing will begin at approximately 0800 hours. All students and staff must sign out no later than 1100 hours. If you need to check out before 0800 hours, you will coordinate with your Seminar Advisor.

Departure Friday night following the Dining Out, although not encouraged, will be permitted if deemed safe. If you wish to leave Friday night, consult your Seminar Advisor who will handle your out-processing prior to the Dining Out. *Reminder: If you choose to partake of adult beverages during the social hour prior to the dining out, you will not be allowed to operate a motorized vehicle for at least 8 hours.*

FINAL WORD:

Do not forget to send the following documents to the director in time to be received no later than 1 July 2013.

1. CAP Form 60, *Emergency Notification/Emergency Medical Data*
2. *Information Form with Arrival/Departure Information*
3. Your Biographical Sketch
4. Your CAP Official Memorandum Style letter
